would like you to pray:

- \* that we will have a safe trip and that I will not have flu or be very tired
- \* that the children in school (Holland) will not miss me and I will not miss them
- \* that I will have a nice teacher in Uganda and that she will not be very strict
- \* that the children in Uganda will have enough food and that we will build a big house so that all the children can fit in it
